Charlotte and Brandon are an engaged couple that have just moved into a newly built townhome in Raleigh, NC with their two dogs. Charlotte loves to shop at Anthropologie but also loves a good bargain at Target. Their favorite place to go grocery shopping is Trader Joes. They believe in owning good quality products and products that are sustainable. Charlotte and Brandon share the same design language and interests when it comes to interior spaces. They have a very simplistic aesthetic and love a good neutral color palette.
